

E. ESSAY- To be Completed by the Student

STUDENT ESSAY:

- Answer **both** PROMPT 1 and PROMPT 2
- Use your best writing skills
- Type, print, and staple essays to application
- Support your essays using examples and illustrations
- DO NOT ask anyone to edit your essay

Essay Prompt 1 (300-400 words)

*You have been admitted into college and you have decided to live in a campus dormitory. The college has asked you to write a letter to your future roommate **describing yourself, your interests, and your values**. Introduce yourself to your new roommate by writing a letter addressing each of these points.*

Essay Prompt 2 (300-400 words total for both parts)

Part 1: *State why you want to be in the UW STEMsub program.*

Think about:

- What excites you about this STEM program?
- What are your personal goals and aspirations?

Part 2: *Describe how UW STEMsub can help you reach your academic, career and personal goals.*

Think about:

- How can STEMsub help support your interests and ambitions?
- What are your strengths?
- What academic and/or personal challenges do you face?
- What activities are you currently involved in that furthers your interest in STEM (Science, Technology, Engineering, and Math)?
