STEMsub’s mission

The mission of UW STEMsub (Math Science Upward Bound) is to help low-income and potential first-generation college students succeed in high school, get accepted to college and STEM majors, and to graduate with a STEM degree.

Should I apply?

Are you a Sophomore at Chief Sealth, Cleveland, Foster, or Franklin High Schools who is:

• Motivated to pursue a college degree in Science, Technology, Engineering, or Math (STEM)
• From a low-income family and/or will be the first generation in their family to earn a four-year college degree
• A U.S. Citizen or Permanent Resident and not participating in another Federal TRIO Program (Upward Bound or TRIO Talent Search)

Go to www.uwmsub.org/apply or talk to your high school counselor today!
